

How to find us

Bavariaring 17D-80336
Munich
Germany
Tel: +49 89 538868-22

Our Munich office allows us to support our clients when using the EPO and EUIPO for patent, design and trademark matters. It is conveniently located just 5 minutes' walk from one of the main EPO buildings where hearings are held.

By train

The nearest subway (U-Bahn) station to our office is Theresienwiese on the U4 and U5 lines.

The nearest suburban (S-Bahn) station is Hackerbrücke.

Walking directions from Theresienwiese

Exit the S-Bahn station from the Bavariaring exit and walk along Bavariaring with the Oktoberfest beer festival site on your right-hand side. Our office is on the left after about 2 minutes' walk.

From Hackerbrücke station head south over the railway bridge and continue past the European Patent Office building, turning right onto Bayerstrasse, then turn left onto Martin-Greif-Strasse, following it down until it meets Bavariaring, at which point turn left and follow Bavariaring with the beer festival site on your right-hand side until you arrive at our office on the left-hand side. The walking distance from Hackerbrücke is approximately 10 minutes.

By car

Street parking is available on a metered basis immediately outside the office. However, access by car is restricted in the area around our office during the Oktoberfest period, during which we would strongly recommend travelling by public transport.

By air

Our Munich office is approximately 40 minutes by S-Bahn (S1 or S8 lines) from Munich International Airport to Hackerbrücke station and then 10 minutes by foot from there.
