Our Munich office allows us to support our clients when using the EPO and the German Patent and Trade Mark Office (DPMA) for patent, design and trademark matters. It is conveniently located just a tram ride from one of the main EPO buildings where hearings are held.

By train:

The nearest subway (U-Bahn) station to our office is Marienplatz on the U3 and U6 lines.

The nearest suburban (S-Bahn) station is also Marienplatz.

Walking directions from Marienplatz:

Exit Marienplatz Station at the Weinstraße exit and turn left on Weinstraße. Then turn left onto Maffeistraße and continue until you reach Kardinal-Faulhaber-Straße. Turn right and continue until Prannerstraße. Finally turn left and our office is on the right-hand side after a short walk.

By air:

Our Munich office is approximately 45 minutes by S-Bahn (S1 or S8 lines) from Munich International Airport to Munich Marienplatz station and then 7 minutes by foot from there.

By car:

Unfortunately, our office does not have a dedicated car park. There is on-road parking near the office, but only for a maximum of two hours. The Salvatorgarage which is open 24 hours is situated at Jungfernturmstrasse - 80333 München which is a short three minute walk to the office.
