By train:

The nearest tube station to our office is Liverpool Street. This is served by the Metropolitan, Hammersmith & City, Circle and Central lines.

Moorgate is also a short walk away for the Northern, Circle and Metropolitan lines.

Liverpool Street Station also serves most mainline services from Essex and East Hertfordshire.

Walking directions from Liverpool Street Station:

Our office is less than 5 minutes' walk from the station. Look for Boots Pharmacy near Platform 1 for mainline services and with Boots on your left (and platform 1 to your right), walk down the passage way past the stores and coffee shops, out through the glass doors and up the steps in front of you into Exchange Square. Cross straight over Exchange Square and down the steps the other side. This brings you into Primrose Street and Broadgate Tower is the very tall building facing you, set back slightly from the road. The entrance is clear from the distinctive blue and green lights inside the foyer.

By bus:

The Broadgate Tower is well serviced by major bus routes. Many operate along Bishopsgate and some run to and from the station itself. Please see the Transport for London Bus Route Map for Liverpool Street Station and Bishopsgate for more information.

By car:

Unfortunately The Broadgate Tower does not have any car parking. There are however several car parks close by including the Clifton Street NCP (which is open 24 hours a day), situated at 20 Park Street, London, EC2A 4JH, as well as the Great Eastern Street, Islington, EC2A 3ER. Please see National Car Parks for further parking facilities close by.
